

Millenáris Park Building B

Two factory buildings from 1911 were merged to create an impressive structure. Building B boasts a ceiling height of 15.85 meters with a capacity of **1500** people. **1200** guests can be seated at round tables, while we can also provide a dance floor and a stage. These qualities make it a perfect venue for receptions with numerous participants. Ample windows shower the building with natural light.

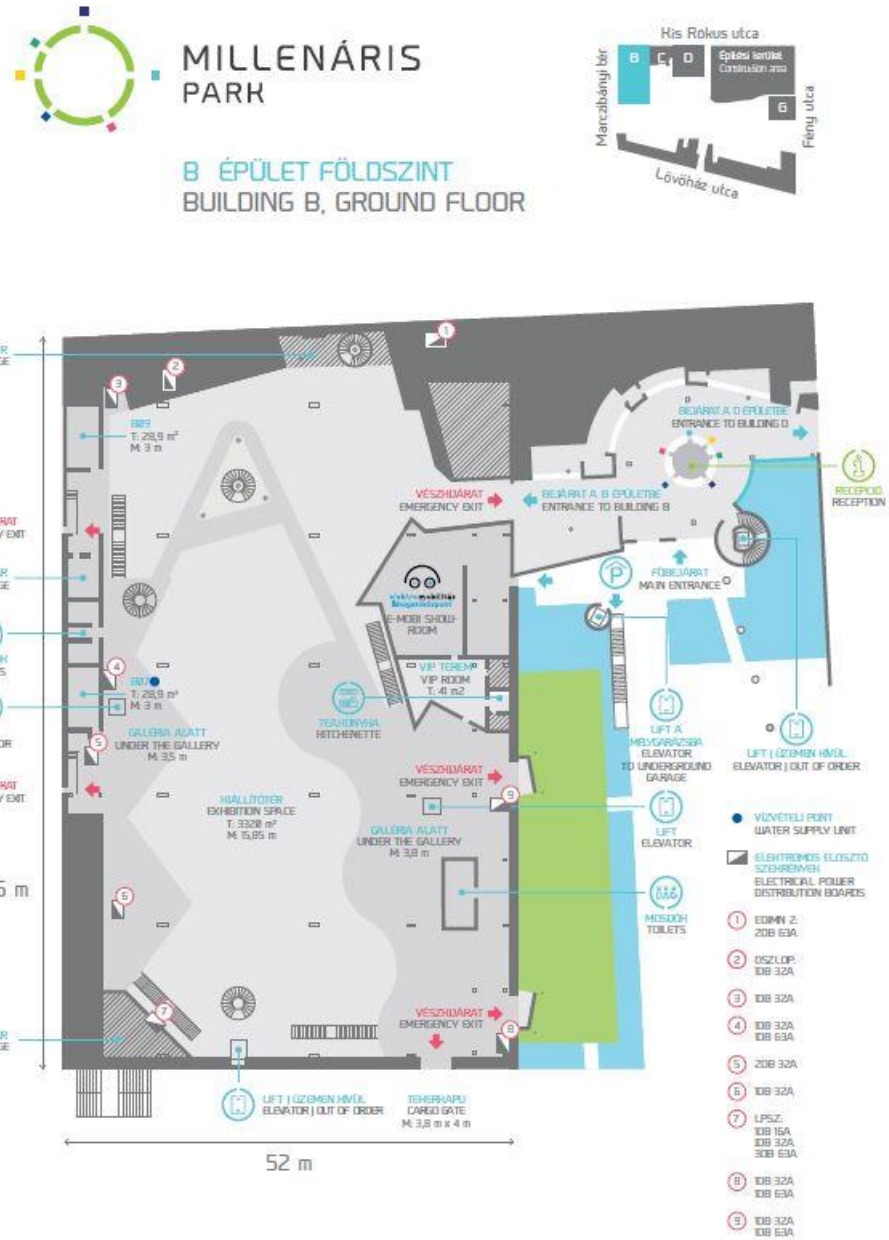

Our available space:

3320 square meters on the ground floor, and an additional 670 square meter event space is available on the mezzanine level. In addition, there are two private halls of 116 and 195 square meters, respectively, as well as two 100 and 75 square meter VIP rooms available for rent.
