

## Millenaris Park Building D

This is the oldest building in our Complex. Its impressive 15 meters high ceiling, and over 750 square meters of floor area with its huge glass façade and nearly 1500 square meters of usable space make it one of the most popular event venues in the capital city. This building can accommodate up to 800 visitors. It is equally suitable for corporate events, fairs, family, children and cultural programs. It has great exhibition value with ample natural light.

### **Our available space:**

1080 square meters on the ground floor, and a mezzanine of 320 square meters is also available.

Building D also comprises an auditorium with 104 seats in a fixed seating system. Special technology is available upon request (projector, canvas, sound system, etc.), making it an ideal venue for presentations, conferences and press conferences.

Its architectural design makes it one of the most popular buildings in the city.
